

HORSE BOARDING AT MOUNTAIN TOP

Thank you for your interest in the Mountain Top Resort Equestrian Center Boarding Services.

We would be delighted to host you & your horse(s).

Horse boarding is available for overnight stay guests only.

Horse boarding details:

- Basic board is \$45 per horse per night (does not include the \$20 day pass fee or rider room rates)
- Includes: a 10X10 matted box stall with pine shavings, limited dirt turn out
- Access to our riding rings & trails (reservations must be made in advance for ring use)

Advance reservations are required. Call 802.483.2311

For your safety & enjoyment our trails are well marked (trail map supplied). A trail guide is not required, however you may request one if preferred at an additional cost. It is important that our staff review the trail map with you prior to your ride; this is to ensure you are aware of any seasonal variations, last minute closures due to weather, and specific terrain descriptions (which trails are somewhat rocky, muddy areas and any gravel roads). Our trails cross both public and private lands.

On some trails you are likely to encounter others. **Helmets are required at all times while mounted.**

For additional fees we will clean stalls, fill water, turn out and provide other necessary services.

Please call for rates.

We require a negative coggins test, proof of rabies vaccination and a certificate of good health from your vet within one month of your arrival for all visiting horses.

We recommend the Potomac fever vaccination as well.

If you have questions, need additional information, please call the Equestrian Center at 802.483.6089.
