Frequently Asked Questions

Do I need to meet a minimum for my wedding party?

We **do not** require a minimum number of services or guests in your party. We're here to service your wedding day (& surrounding event) needs, whether grand or intimate.

Are there additional travel /location fees for services?

We **do not** charge any additional fees for salon services whether performed in our salon nor in your accommodations.

Where & when will my salon services be performed?

We want to fit seamlessly into your wedding day and provide a relaxing & enjoyable experience for you.

Location: We highly recommend that our stylists come to you and conduct your salon services in the comfort & privacy of your accommodations. Please connect with your MTR Wedding Coordinator if you are interested in including food & beverage services.

Timing: Working with you, your ceremony time, your MTR Wedding Coordinator, plans for photography and other important elements in your schedule, we will time your services to fit perfectly into your special day.

**If you prefer to have your services performed in our salon, this can be accommodated as a private rental (\$200/hr fee) or as standard salon appointments while we remain open to the public.*

Which wedding salon services do you offer?

We offer hair, makeup & lash wedding services.

Starting with your consultation, and working with your inspiration and personal preferences, we will create the perfect look for you. Whether your look is classic or glam, romantic or effortless - we have the expertise to bring it to life!

In addition to our day-of hair services, we also offer 'Le jour d'avant' salon hair services. This 'day before' blowout, smooths hair, eliminates unwanted frizz and adds volume & texture. It's the perfect prep for your wedding day hair, while simultaneously creating a beautiful style for your welcome party or rehearsal dinner.

For makeup, you have the option of traditional or airbrush. Airbrush makeup is a natural looking application that is a light weight, invisible look, with full coverage. It is also water resistant, which means it will not come off with hugs, sweat, tears and humidity.

False eyelashes are included in your pricing.

We also offer a full Spa menu such as nail services, facials, waxing and massage. If your schedule permits we would be happy to help you arrange these additional appointments or our Wedding Day Bundles.

Do you recommend a hair/makeup trial?

Yes, we highly recommend that you book a trial with us. We suggest your trial take place at least two to three months before your wedding day. If you will be attending a Tasting at Mountain Top, this is a convenient opportunity to also book your trial.

Please allot 90 minutes for this service.

If you are unable to attend a trial in person, we are happy to schedule it virtually to discuss your desired look and review your inspiration boards.

Is a deposit/contract required?

We do not require a separate deposit. The credit card taken upon contracting your wedding with us, will secure your wedding salon services. A separate salon contract will be required to secure your appointments. Payment will be due on the day of your services and you have the option to use a different form of payment at this time.

However, the original card used will be charged in the event that you cancel your salon services or do not show up for your scheduled/contracted appointment(s). If you should need to cancel and do so outside of 6-months prior to your wedding date, the card would be charged for 50% of the total cost of your services. If you cancel within 6 months (or fail to appear for your services) your card will be charged for the full cost of the scheduled services.
