

MOUNTAIN TOP R E S O R T

Welcome to Mountain Top Resort! We're so glad you're here.

Originally known as the Mountain Top Inn, Mountain Top Resort began as a converted barn from the Long family's turnip farm in the 1870s. In the 1940s, Mr. William Barstow purchased the farm as a gift for his wife, Francoise - an active socialite who was known for always entertaining. Throughout the years, improvements and additions were made to accommodate the growing number of visitors, guests, family, and eventually evolved into a full service Inn and Tavern.

In 1945, William and Margery Wolfe purchased the Mountain Top Inn and continued improvements to the property and in 1955, put the Inn on the map when hosting President Eisenhower and his entourage during a fishing exhibition (photos can still be found near our front desk today!).

In 1964, the Wolfe's began to develop a cross-country ski center and trail system, which, as one of the oldest in the country, will reach it's 60th year of operation in 2024 with some of the best cross-country skiing and conditions in New England and Vermont.

We could not be more proud of our Vermont roots and heritage, and equally excited for what the future brings. We hope you take this opportunity to escape the everyday here with us.
